SUBJECT: FY 75 Key Intelligence Questions

To assure that there is no confusion regarding responsibility for the FY 75 Key Intelligence Questions, attached is a listing of assignments of specific KIQs to individual NIOs. With the exception of three of the KIQs, the designation of the responsible NIO appeared fairly clear-cut although there may be some honest differences of opinion with these assignments. Should any NIO have strong feelings about these allocations, they, of course, remain open to discussion and negotiation. The three KIQs in question are 18, 22 and 47 which could fall respectively under SP or CF; E, SP or CF; and E or WE. The views of these NIOs on the assignments of these three KIQs are thus solicited.
